Informed Consent - Young Ladies Success Evaluation

Dear Parents or Guardians of _____ (print student's name),

I am excited that your child will be attending the Young Ladies Success Summit at Texas A&M University Commons Lobby, College Station, TX. It will be a fun morning with food, motivational speakers, and door prizes.

We are conducting research to gather feedback of the Young Ladies Success Summit determine if an activity of this nature will help young ladies prepare for success in school and in career awareness. We are asking your child to participate in a brief survey to share their experiences. We anticipate it should take no longer than five minutes to complete the survey.

We do not foresee your child experiencing any risks or discomfort as a result of completing this survey. While your child will not directly benefit from completing this survey, we will use the results to improve the program for future participants.

Responses to the survey will be anonymous. Your child will not be asked to submit their name, student ID or Social Security number. Participation in this survey is voluntary. There will be no penalty for those who do not choose to participate. Your child can stop completing the survey at any time without penalty.

If you have questions about this research, please contact Essie Childers, Young Ladies Success Conference Director at ylsuccessseminar@gmail.com.

If you wish to give permission for your child to participate in this survey, please sign below and return this form with your registration.
